We're so excited to be a part of bringing barrel racing back to Open Range Cowboy Church! The arena leaders and church members have been working diligently behind the scenes to improve the facility, from resetting the pen setup to bringing in improved ground, and we are ECSTATIC to finally showcase all their hard work for y'all! Before we kick off our races, we want to make sure the ground is just right and safe for horses and riders of all levels. Come make some exhibition runs, and help us get everything dialed in! We have big hopes for what we can bring to this arena, and we're so excited to be alongside this wonderful church to bring some GREAT events your way!
